## Receipts and Expenditures.

WASHINGTON, Aug. 31.—The forth-  
coming monthly statement of the gov-  
ernment receipts and expenditures show  
an increase in the receipts for August.  
1907, of about \$2,218,000, as compared  
with August, 1906. The expenditures,  
however, will be shown to have been ma-  
terially greater, so that the surplus for  
the present month will be about \$3,151,-  
000, or over \$4,600,000 less than for Au-  
gust last year.  
The civil and miscellaneous expenses  
will be over \$2,000,000 greater than for  
the corresponding month last year. The  
war department expenditures will also  
be greater by \$2,000,000, and the navy  
expenditure greater by \$2,500,000. The  
public works item will also show a very  
marked increase. The receipts from the  
customs during the last month shows in-  
crease of \$704,353; internal revenue in-  
creased \$282,285, and miscellaneous re-  
ceipts increased about \$1,136,057.

## GAS WINS!

Have you thought about your winter supply of fuel? If so, have you inves-  
tigated as to what it is going to cost you? Here is a problem which will take a  
great deal of figuring if you plan to use ordinary fuel. We have an easy solution  
for it—in fact, the only logical and practical one—USE GAS FOR COOKING,  
LIGHTING AND HEATING. We are solving the problem for hundreds of  
families by putting in Gas Ranges to do their cooking and Gas Radiators for  
heating. There is no more worry for them, and besides there is much less trou-  
ble, with no more expense. Gas wins every time, and we would like to prove it  
to YOU. Phone in and have our representative call.

## DR. A. J. SHORES

(THE PEOPLE'S DOCTOR) RETURNS TO SALT LAKE.

THE DOCTOR COMES BACK TO "ZION" TO REMAIN PERMANENTLY, AFTER HAVING ESTABLISHED THE LARGEST AND BEST  
EQUIPPED MEDICAL OFFICES ON THE PACIFIC COAST IN LOS ANGELES, AND LEAVES THAT OFFICE ENJOYING THE LARGEST PRAC-  
TICE OF ANY ON THE COAST—UNDER THE MANAGEMENT OF HIS TRAINED ASSISTANTS, AND SHALL NOW DEVOTE HIS ENTIRE TIME  
TO THE BIG SALT LAKE CITY OFFICE.

DR. A. J. SHORES.

## OLD FRIENDS AND NEW INVITED TO MEET THE DOCTOR.

Dr. A. J. Shores will be found at the offices of Drs. Shores & Shores, 249  
Main St. daily from now on—and cordially invites his many old friends to  
call on him and renew acquaintances, and as cordially invites the sick and  
suffering of Salt Lake and vicinity to consult him absolutely free of charge.

THE VERY LATEST UP-TO-THE-MINUTE TREATMENTS AND  
METHODS.

Dr. Shores has added to his already vast experience greatly during his  
sojourn among the Hospitals and Colleges of the Pacific Coast—and will in-  
troduce to the people of Utah the very latest methods of treatment for Ca-  
tarrh and Chronic Nervous and Private Diseases.

## "THE LOW RATE MUST CONTINUE," SAYS DR. SHORES.

It would be unjust to raise our rates on the eve of my return to Salt Lake,  
and I want to continue the low rate of \$5 a month, medicines free, to one  
and all, for all Catarrhal Chronic diseases—so that the poor as well as the  
rich may be cured for so small an expense that they will not feel that they  
are barred from consulting Expert Specialists.

## THE FAKERS MUST GO.

Dr. Shores was surprised to find a Notorious Fakir who had been work-  
ing the people in the smaller coast cities playing his trade here, and promises  
to add Salt Lake City to the long list of Cities that have bid the fakir  
DEPART.

When such terrible methods are pursued by ignorant quacks it is time  
that every honest citizen took a hand in suppressing fraud and just as long  
as these frauds continue to operate just so long will Drs. Shores fight for  
decency continue.

Drs. Shores had intended withdrawing the \$5 a month rate for all Ca-  
tarrhal diseases Sept. 1st—and charging a trifle more to allow a reasonable  
profit for their services—but as this low rate is so strongly objected to by  
the fakirs—and appreciated by the public—the \$5 a month rate will be held  
open to one and all indefinitely—for all catarrhal chronic diseases—medi-  
cines free.

Consultation and Advice free and confidential.

## MEN A Special Department for MEN

Drs. Shores Maintain a Special Department for the exclusive treatment and  
cure of all diseases and weaknesses of Men. While Drs. Shores Charges in this  
Department are extremely low—much lower, in fact, than the rates charged by  
"Fake Medical Companies" and would be imitators—yet Drs. Shores do not  
want Men to come to them because their prices are CHEAP—but because they  
are DOCTORS WHO CURE. Make the DOCTORS your first consideration—  
the PRICE is only an incident. You want CURES—therefore Consult Drs.  
Shores, the Reliable Experts—BECAUSE THEY ARE RELIABLE AND SKILL-  
FUL. Drs. Shores' low rates are not  
held out as an INCENTIVE to pa-  
tronize them—they simply make the  
low rate because it is right and just—  
but solicit your patronage SOLELY  
ON THE GROUNDS OF PROVEN  
COMPETENCE.

Consult this department and be ad-  
FREE OF CHARGE. We cure more  
men than all the "Fake Medical Insti-  
tutes in the city combined.  
So sure is the Cure under DR.  
SHORES' MODERN METHODS IN  
all private diseases that you may ar-  
range to pay the fee for a CURE in  
small weekly or monthly installments,  
as the cure progresses, or you may  
PAY WHEN CURED.  
CALL OR WRITE.

## THE PROSTATE GLAND.

Drs. Shores are pioneers among the  
Medical Profession in discovering that  
nearly every case of so-called "Wet-  
ness" in men, is due to enlargement or  
inflammation of the Prostate Gland.  
Imitators now copy Drs. Shores' ad-  
vertisements—and claim to relieve this  
trouble—but Drs. Shores' treatment is  
not given or even known by any "Fake  
Medical Company" in the World.  
The treatment is local—it is original  
and scientific, and is the only effective  
method to CURE this common and  
terrible trouble. You can not get this  
treatment anywhere else on earth—as  
given by Drs. Shores—hence if you  
want a CURE apply direct to Drs.  
Shores & Shores, the originators of the  
wonderful treatment.
